

Welcome to the Under-6 & Under-8 MAYSC League!

What you need to know...

We ask that you please have your child at the field 10 minutes prior to your scheduled practice. Games will be held every Saturday scheduled at 9 a.m or 10:30 a.m. A game schedule will be distributed in the near future.

No jewelry is permitted on the field-this includes pierced earrings so please be sure not to plan to get your child's ears pierced around soccer season because the earrings will need to be removed.

We do practice & play in the rain, but scheduled practices & games will be cancelled if the field conditions are dangerous or there is a threat of thunderstorms. Your coach will call you if practice is cancelled; otherwise, please report to the field as scheduled. If your child will not be at practice or a game, please call your coach to let them know.

Please have your child stop at the restroom before practice. It is also recommended that you apply bug spray and/or sunscreen to your child.

What your child needs:

- Size 3 soccer ball
 - Sneakers or cleats (no baseball cleats)
 - Water bottle or sports drink
 - Black socks and Black shorts
 - Shin guards (REQUIRED) – *Socks must be pulled over top of the shin guards
- Shirts must be tucked in
